Thanks Sarah for scheduling a room for us.

Yes, let's add delegation to the meeting agenda.

Thank you for the follow-up, Stacey!

I have tentatively reserved a conference room here in Santa Fe for the entire day on Wednesday September 5th, and we are all available that day, but if we need to shift a day on either side, that works for us.

Could we add one more topic to the list? I'd like to start addressing scoping for potential delegation of the NPDES program. Brent shared with me yesterday that you have also spoken to our sister agency, the Energy, Minerals and Natural Resources Department (EMNRD) and I am planning to reach out to them today to coordinate on that issue.

Thank you!
Sarah

Good morning,

I realize it has been over a month since we last talked. Brent and I are still planning on coming to New Mexico on September 4-6th. We were waiting to get a confirmed date from the Tribes to discuss Roca Honda, but we just have confirmation from 2 tribes for a date within the week of September 3rd. In order to move forward, I would like to firm up the dates that you are available.

After getting the dates you are available, we will work the schedules for meetings with other interested parties.

Thanks,

Stacey
